8. Because of the special allocation of tankers, the shipments during February and March 1951, were increased.
9. A considerable number of workers was dismissed in the Zeitz plant during the last few weeks on instructions from above, in order to cut overhead expenses. The total number employed at the moment is 4,562. The dismissals have been confined to administrative and nonproductive departments and have had no effect on production figures.
10. Director Melzer has been transferred from the Zeitz factory as plant director to the Werk Rositz. The latter concern, in addition to the Profen-Werk which previously delivered this material, will now deliver tar to the Zeitz factory.
